

T

he Irvin Stewart Society, named for the University's thirteenth president, honors those individuals whose gifts provide for the future of West Virginia University. Dr. Stewart, who served as president from 1946 to 1958, prepared the way for the establishment of the West Virginia University Foundation and remained a tireless advocate of the University until his death in 1990. His memory — and legacy of philanthropy — have been carried forward with the creation of the Stewart Society.

Founded in 1992 with 94 charter members, the Stewart Society has more than 700 living members. Membership is bestowed upon a donor who includes a gift provision in a will or revocable trust, creates a life-income gift, designates an after-death gift of a retirement account, makes checking, savings or stock accounts “payable on death,” donates life insurance, or makes a gift of real estate with a retained life interest to benefit West Virginia University, Potomac State College of WVU, the Mountaineer Athletic Club, or West Virginia 4-H.

The West Virginia University Foundation, Inc. was chartered in 1954 as a non-profit corporation to generate, administer, invest and disburse contributed funds and properties in support of West Virginia University and its non-profit affiliates. Its mission is to enhance the overall well-being of West Virginia University and be recognized by our donors and peers as a leading independent Foundation.

The WVU Foundation is governed by a Board of Directors, all of whom serve without compensation and are elected by the members. Gifts of cash, securities, and other property are given absolutely or in trust for the benefit of West Virginia University, Potomac State College of WVU, MAC, or West Virginia 4-H.

The Foundation's operating budget is financed entirely with private resources; no University or state funds are used. Gifts received through annual, capital and planned giving programs are used to supplement, but not replace, support from the State of West Virginia.
