BE A PART OF THE GIVING TRADITION

As loyal faculty and staff of West Virginia University, you support WVU every day through your service and dedication. Everything you do makes this University a great place for all Mountaineers.

In addition to your time and dedication, we ask you to consider making a gift to WVU through the Gold Blue & You Campus Campaign. You may designate your gift to the area on campus that means the most to you. As a faculty and staff member, you have multiple ways to make your gift including payroll deduction. Through payroll deduction, you can make a difference for as little as \$3.00 per paycheck, per fund designation.

We hope you will be part of this year's Gold Blue & You Campus Campaign as we work together to make a positive difference for our students, alumni and community. If you are already giving back to WVU, thank you for your support.

SPECIAL CAMPUS CAMPAIGN FUNDS

- **HSC Rack II Fund**
This Demand Fund shall provide support for operations as well as provide assistance in the form of food items, hygiene items and/or other household items to WVU Health Sciences Center and WVU Medicine students, staff and faculty.
- **Health Sciences Student Assistance Fund**
This fund provides assistance to Health Sciences students in the last two years of their selected major for situations that may preclude them from graduating, such as not qualifying for financial aid to pay for books, transportation passes, rent, food or other needs.
- **WVU Cancer Institute - The M. B. Randolph Cancer Institute Program Enhancement and Project Fund**
The WVU Cancer Institute's Enhancement Program and Project Fund was established to assist with the most pressing needs of the Cancer Institute. The fund allows the Cancer Institute to operate on a daily basis and treat West Virginians from across the entire state. The WVU Cancer Institute is at the forefront of research, education and patient care, made possible by the generosity of loyal friends and supporters, who also realize that cancer is a serious health problem in our state.
- **The Rosenbaum Family House Fund**
The Rosenbaum Family House Fund is used for operational and programmatic support. When a serious illness or injury strikes, staying close to family is important. Rosenbaum Family House is devoted to making this possible. Family House is a home away from home for families of patients and sometimes for patients themselves. Last year, 1,622 families were served who stayed an average of seven days. No one is turned away regardless of their ability to pay.
- **WVU Medicine Children's - Building Fund**
Help us build a new and expanded hospital! If we want to improve the health of our beloved state, the time is now, the place is here and we need you to join us to do it. While you are helping to deliver outstanding healthcare each and every day, this is also our moment to embrace the once-in-a-lifetime opportunity to improve the health of the women and children not only for today but also for generations to come.
